## Artist's Statement:

*“Partnering with a new gallery instantly brought fresh inspiration for this small body of work. Over the course of several weeks, I sought out sumptuous flowers (fiori) and set them among the everyday items I love to paint over and over. Along with pretty seasonal blooms, these paintings feature the deliciously fleshy fruits that autumn brings. I also took the opportunity to introduce a piece from my new series of hands holding flowers, which are based on an illustration I gifted to a dear friend back in 1998!”*
