Artist's Statement

Anne Spencer

My artworks are abstracted visions of what I can see and not see! My work is not representational as I am not trying to imitate nature but to create my own reality from what inspires me. I understand the land, and I think this comes through in my work, yet much of what I see comes from pictures in my mind. I love paint. I love colour, line, shapes and the arabesque! I draw with paint. I like movement, emotion, freedom and the process of painting.

I agree with Wolf Kahn:

“An artist thinks with a brush in [their] hand.”
