Artist's Statement:

The human face is Peter's landscape.

*Many hours in bars, cafes, back of comedy rooms sketching faces and glimpses of faces,
trying to capture a moment, a tilt of the head, a sideways glance that belies the inner dialogue.
His images are made through a process of discovery, improvisation, mistakes and lucky breaks...
much like we are as people and that is often writ on our faces.*

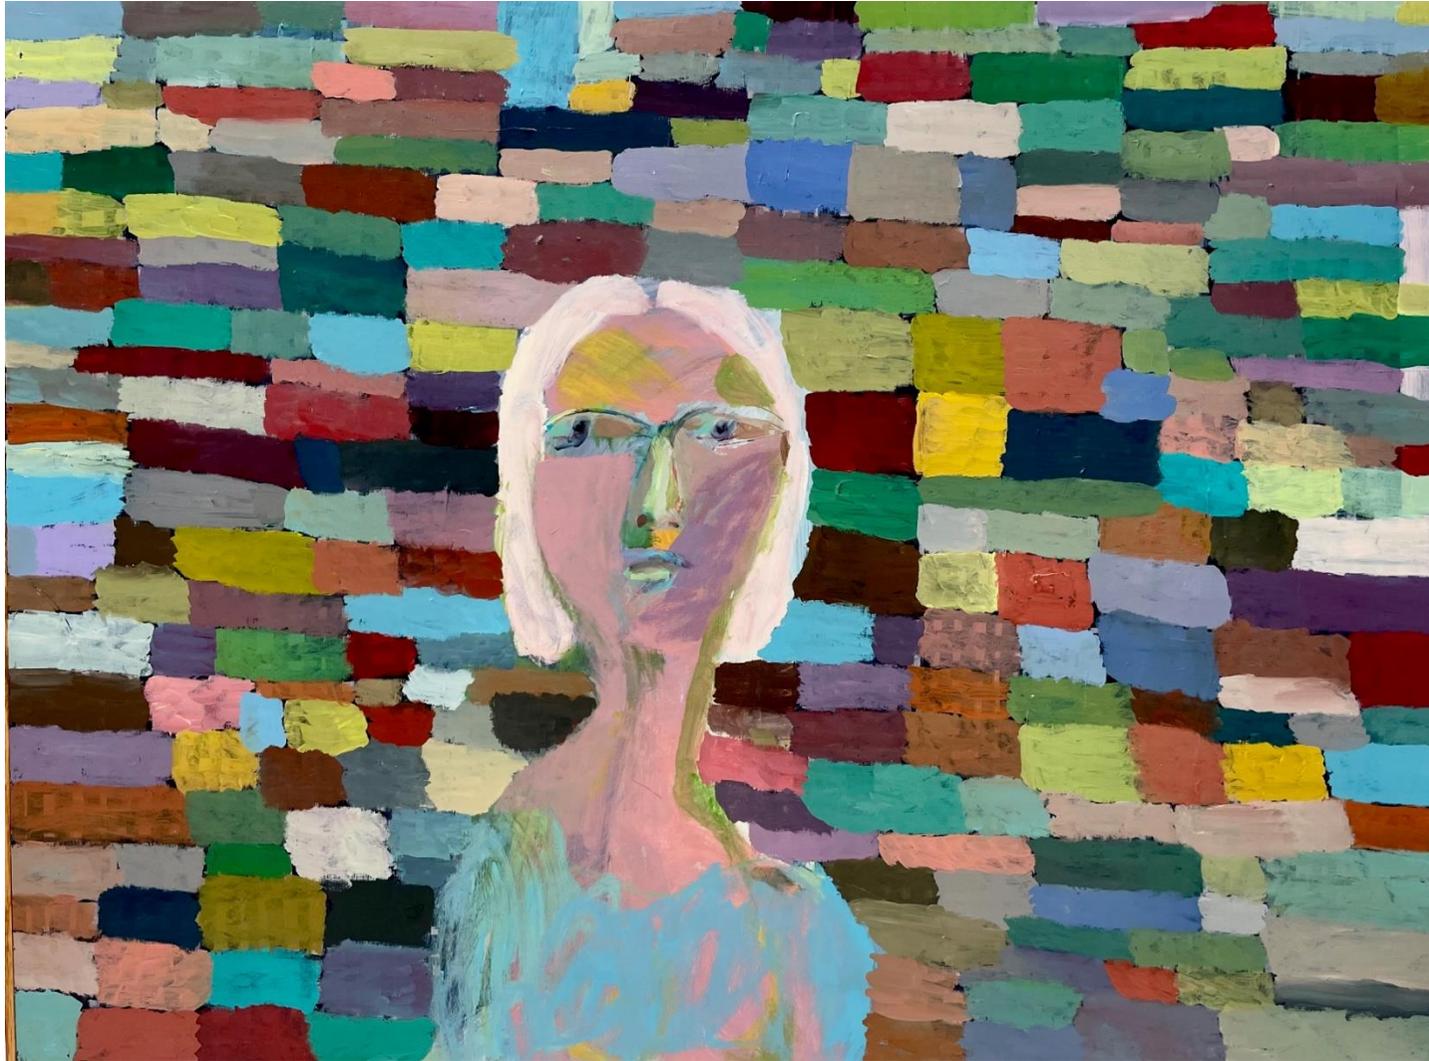

'This life to this point' acrylic on board 122x100cm \$3,390
