## Artist's Statement:

### A Third Place

*"A third place is a place unknown.*

*With my paintings, it's that place between the painting and the viewer; the place between the landscape and the painter. A place of possibilities, evocations, connection and communication.*

*Reactions, reflections, memories, the numinous: layered together, jigsawed into a new place with meaning, emotions and connections."*

'Sundance'; oil on linen, 102x122cm, \$4,600
